

Terms of Membership

As a member of Body By Design, you are entering into a contract agreement. This contract entitles the consumer to 15% OFF each massage service purchased at Body By Design, but is not valid for Myofascial Trigger Point Therapy sessions.

The consumer will be charged for the agreed upon number of sessions each month unless the contract is terminated. The session(s) must be used within the month of billing to be valid.

Sessions do not roll over into the next month but may be gifted in the event that the member is not available to use them.

The contract will auto renew every 12 months unless terminated. Body by Design reserves the right to terminate the contract for any reason including but not limited to inappropriate behavior of a member.
